

Michele Caruso – Board member

Curriculum Vitae

After graduating in 2002 with a degree in Economics and Business Administration from the University of Naples Federico II with a grade of 110 *cum laude*, he started working as an associate in a leading firm of chartered accountants and lawyers based in Naples and Milan until August 2008, where he had the opportunity to take on and develop specific skills in tax, corporate and balance sheet matters. In September 2008, together with other colleagues, he founded his own tax and strategic consulting firm, specialising in corporate reorganisation and restructuring operations, strategic, contractual and organisational consulting on behalf of national and international companies. Subsequently, he carried out administration of real estate assets, such as shopping centres and business parks, offices and residences, on behalf of international investment funds, administration in corporations and entities, consultancy for the drafting of plans pursuant to art. 161 L.F, auditing of joint-stock companies, tax consultancy before Provincial and Regional Tax Commissions, financial consultancy, in corporate restructuring operations (such as mergers, demergers and company transformations), tax and commercial consultancy on behalf of Italian and foreign companies, as well as activities related to value appraisals pursuant to Article 2465 of the Italian Civil Code of company branches and companies.
